

Sentry Insurance...

Providing the *business insurance* solutions your trucking business needs!

Ask your insured's: "Are you getting the most value from your Insurance Company?"
Consider all that Sentry has to offer, such as:

- **Rental Reimbursement**
If your unit is down for repairs longer than 7 days, Sentry will pay up to \$150 per day to rent a truck and keep you on the road in the event of a covered loss to your vehicle.¹
- **Personal Property**
Most standard policies pay only for damages to your truck and trailer. Sentry also replaces personal property damaged as a result of a covered accident.^{1,3}
- **Tarps, Chains and Binders**
Sentry knows you need load-handling equipment to do your job, so that's covered too.^{2,3}
- **Electronic In-Cab Equipment**
Sentry will replace installed electronic equipment (GPS, CB, etc.)^{1,3}
- **Only One Deductible Per Accident**
With a Sentry policy, you pay only the higher deductible when a covered loss involves any combination of covered tractor, trailer or cargo.
- **Certified Safety Expertise**
Sentry's team of safety engineers includes several Certified Directors of Safety (CDS). Our Staff averages 23+ years in trucking and/or safety.
- **Debris Removal**
Sentry will reimburse your actual cash expenses for debris removal following a covered accident.
- **Mechanical Reefer Breakdown**
Sentry covers cargo damaged as a result of mechanical reefer breakdown.
- **Uncollectible Earned Freight Charges**
Sentry pays you the actual freight charges you've earned, but cannot collect due to a covered loss.
- **Tailored Limits Available**
If you need higher limits, Sentry will work *with* you to customize the coverage you need.
- **Load Handling Equipment**
Sentry covers your necessary load-handling equipment.^{2,3}
- **24/7 Claim Service**
Sentry's claim handling representatives are available by toll-free telephone all day, every day. Non-English translation is also available.
- **Accident Kits With Single-Use Cameras**
Sentry provides step-by-step accident response kits, including single-use color flash cameras, for all insured power units.
- **Out-of-Pocket Expense Recovery**
Sentry will act on your (insured) behalf, where applicable, to recover out-of-pocket deductibles, downtime and other cash expenses when another party is responsible for your loss.
- **No Radius Restriction**
Sentry's long-haul policies cover you throughout the U.S. (except Hawaii) and Canada.
- **Financial Stability**
One of the most respected names in the industry, SENTRY can be relied on to pay your claims now and tomorrow.
